Abstract:

My Wound Wash Solution is perfect for rinsing and cleansing away dust and dirt from wounds. The spray physically removes foreign bodies, blood, reduces pathogens and dead tissue whilst also moistening the tissue in the process which contributes to wound healing.

Market Size:

The global wound cleanser products market was valued at USD 1.61 billion in 2021 and is expected to grow at a CAGR of 3.4% during the forecast period (2022 - 2030).
